

BY-LAW NO. 12
STREET NAMING AND NUMBERING

1. For the purpose of this section, all words shall carry their customary meaning except for the following.
 - (i) “Front” means the nearest wall of a building to the front lot line and where the front entrance to the building is located.
 - (ii) “Main building” means the building in which is carried on the principal purpose for which the lot of land on which the building is located is used and includes a dwelling unit and place of business.

2. Before any person commences to name or alter the name of any public road or street, he must obtain a letter of approval from the municipality.
 - (i) Applications for a letter of approval must be made on forms approved by the municipality.
 - (ii) A letter of approval shall contain the name of the public street or road designated by the municipality.
 - (iii) The municipality shall permit only those names that are pleasant sounding, appropriate and easily read.
 - (iv) The municipality shall not permit numerical names, alphabetical letters, frivolous, complicated or undesirable names, unconventional spelling and compound names.
 - (v) The municipality shall not permit affixes except where:
 - (a) East, west, north, and south are used to indicate direction and
 - (b) Boulevard, drive, road, and parkway are for collection streets and major roads and are used only at the discretion of the municipality.

 - (vi) The municipality shall not permit the duplication of street names or use of similar sounding names.
 - (a) All continuous streets shall bear the same name throughout, even though it changes direction.
 - (b) If the street is interrupted and the eventual connection is not probable, the segments may bear different names.
 - (c) Where a cul-de-sac provides street frontage for three or less lots or units, no separate name shall be used, the name shall be the same as that of the intersecting street. But where there is a series of long and short cul-de-sacs all should have separate names.

 - (vii) The municipality shall assign street numbers for any main building on a lot, in accordance with its administrative procedures.

- A The municipality shall keep a record of all numbers assigned under the By-Law.
- B The municipality shall notify in writing the owner, occupant or person in charge of any house or building of the number assigned to the same at any time after the adoption of this By-Law.
- C The owner, occupant, or person in charge of a dwelling unit or main building to which a number has been assigned shall:
 - (a) Within sixty days after the date of notification, affix the number in a conspicuous manner in a conspicuous place.
 - (b) Remove any different number which might be mistaken for, or confused with, the number assigned to the house or building.
- D Each main building shall display the number on the front of the building. Where a main building is occupied by more than one business or family dwelling unit, each separate front entrance may display a separate number.
- E Numerals indicating the official numbers for each main building shall be a minimum of two or three inches in height to ensure the number can be distinguished from the street on which the property is located.
